## The Nederlandse Vereniging van Participatiemaatschappijen's (NVP) Code of Conduct

The NVP Code of Conduct was established in 1986 and revised in 2007, the same year the NVP Membership Code was established. In 2016 the NVP took the initiative to update its code again to include the latest market practices.

In doing so, the NVP decided to closely align the NVP Code of Conduct with the code of conduct and best practices of the 'Invest Europe Handbook of Professional Standards'. The NVP Code of Conduct must be seen as a rephrasing of the Invest Europe Code of Conduct for a Dutch audience. For English audiences it was therefore decided not to produce a separate English translation of the NVP Code of Conduct but instead refer to the Invest Europe Code of Conduct directly.

#### **Complaints:**

In case of perceived non-compliance with the Code of Conduct by an NVP member, it is possible to file a complaint with the NVP board. The board assesses whether the plaintiff has standing and if so will investigate the complaint and take appropriate actions, including possible expulsion, against the member concerned. In case the board feels it is conflicted or otherwise unable to investigate the claimed violation, it may ask an independent committee to investigate and determine the culpability. Any punitive or other actions are always taken at the discretion of the board.

# The NVP would like to thank everybody involved in the revision process, in particular the committee consisting of:

Brechta Kuijpers, Synergia Capital Partners
Taco Rietveld, HB Capital
Leo Verhoeff, Simmons & Simmons
Michael Lucassen, TIIN Capital
Miriam Dragstra en Bert de Haas, BOM Capital
Joost Bakhuizen, Van Lanschot Participaties
